One of the keys to Tequila’s U.S. growth has been distiller’s ability to offer a product for every budget and occasion. By offering both well aged High End and Super Premium products, as well as affordable Value brands, Tequila is accessible to all Americans.

## U.S. Tequila Volumes, 2003-2020

Source: The Distilled Spirits Council of the U.S.

While Value and Premium brands are the backbone of the U.S. market, the fastest growth has been in High End and Super Premium brands. High End Brands have grown 663% in volume since 2002. Virtually unknown in 2002, Super Premium Tequila volumes have skyrocketed 1330% and today account for 5.1 million 9-liter cases.
