

On America's Whiskey Trail

America's native spirit has been enjoying a resurgence in recent years. In 2021, nearly 30 million 9-liter cases of American Whiskey were sold in the United States, generating nearly \$4.6 billion in revenue for distillers.

Reflecting American's increased interest in premium products, over the past five years, High End Premium, and Super-Premium brands drove growth. High End Premium revenues were up 28% and Super-Premium 129%.

While the richness of this corn-based spirit makes it an ideal drink to sip slowly “on the rocks” (over ice) or “neat” (straight), Bourbon & Tennessee Whiskey are also used in such classic cocktails as the Manhattan and the Mint Julep.
